

## Specific Facilities Provided for Women

Institution shows gender sensitivity in providing facilities such as:

1. Safety and Security
2. Counselling
3. Common Room

### A. Safety and Security:

Moirabari College was established on 14th August, 1981 and it has emerged as the premier institution of higher education in the northern part of Morigaon District. The college is situated at a distance of about half a km. from - Moirabari town, and is approachable from all sides. The site of the college, with a number of other educational institutions situated at close vicinity, provides an ideal atmosphere for teaching and learning. The college gives priority to the safety and security of students, staff and visitors. The measures used to ensure safety and security are:

- Well-protected campus with boundary walls
- On the college campus, there is a women's hostel with all the facilities with full security and safety.
- There is a large entry and exit gate.
- To create awareness among students and staff, the college organizes Mock Drill programmes on Disaster management Authority.
- Within the campus vehicles can pass without creating any safety inconvenience.
- Within the campus, the ground floor (kept open) space of an RCC building is specified for safely parking two-wheelers and cycles of students.
- The campus at night is well lighted.
- All the buildings have earth-in provision and all power supply routes/gadgets are monitored and checked at regular intervals to prevent short circuit related incidents.
- A ragging-free campus.
- CC TV surveillance in the entire campus.
- Fire extinguisher in the college campus.
- Experienced gate-keeper.
- Experienced night chowkidars.
- A Grievance Redressal Cell for the students.
- Maintenance of First-Aid Box/Sick bed room.
- Regular service of the electricity appliances.
- Separate washrooms for male and female teachers.
- Separate washrooms for male and female students.
- Identity cards issued to the students and the teachers.

## B. Counseling:

The college shows concerns for gender equity and related issues.

- Oral counseling whenever necessary is given to girl students by our lady teachers.
- Counseling programme on prevention of sexual harassment of women at workplace is conducted to sensitize the students on the matter.
- Awareness Programme on Covid-19 Pandemic and Distribution of Sanitary Items has been initiated by the college.
- The college's Red Ribbon Club was approached by Moirabari College's NSS unit, and they registered (A unit of State AIDS Control Society) for organizing programme on AIDS Awareness, Adult Japanese Encephalitis and such other health related issues in the college.
- The IQAC and NSS Unit also take initiatives for organizing Awareness Programme on the Disadvantages of Consumption of Narcotics substance as it is seen that both boy and girl students fall a prey to this evil habit.
- Every year during International Women's Day celebration on the 8th of March, resource persons are invited to speak on the rights, duties and issues related to women with a view to sensitize the girl students as well as the women members of the Staff on these areas.
- The Student support and progression Cell has organized Career Counseling Programmes both for boys and girls as a measure of equity initiative:

## C. Common Room:

- The college has separate Common Rooms for Boys and Girls. Both the Girls' Common Room and Boys' Common Room are provided with indoor games items like Carrom Board and Chess Boards etc.
- The girls' washroom is attached to their Common Room. For boys, there are separate toilets within the campus.
- Besides separate Departmental rooms, there is a common room for all teachers with separate attached wash rooms for male and female teachers.
- Provision of drinking water/water purifier is there in the Teachers' common room.
