Students Satisfaction Survey on overall institutional performance was carried out during 2019-20. And duly uploaded in the college website besides recording in the AQAR. Because of Covid-19 pandemic it could not be carried out in the year 2020-21 and could not be uploaded college website. So, no record of SSS is incorporated in the AQAR of 2020-21. But it is quite certain to carry out in near future that could be recorded in the college website in the year 2021-2022.
